Naar de zuiden toe worden de luchten warmer en de winden weken meer
van de noordwesten af. De zuidelijke winden brengen warme
noordwestelijke winden vanuit de Noordzee. De zuidelijke
winden zijn een voorbeeld van een warme Noordwester.
Deze noordwestelijke winden kunnen ook wel de Noordwester

Welcome!

Welcome to MSU Valorant Club! We are the premiere esports club at Michigan State University for the video game Valorant by Riot Games. Wanting to meet other Valorant players and hone your skills as a Valorant Player? Well you've come to the right place!

What Is Valorant?

Valorant is a competitive tactical First Person Shooter developed by game developer Riot Games. The goal in Valorant is to win more rounds than your opponent and the first to win 13 rounds in a match wins. Valorant requires extreme team coordination and mechanical skill to compete at the highest level but is also fun at a casual level too making it a game for anyone and everyone. If you would like to learn more about Valorant as a whole, you can visit the [Valorant website](#) to learn more, happy fragging!

Who Are We?

MSU Valorant is a club run at Michigan State University for the video game Valorant by game developer Riot Games. Valorant is known in the gaming world as a tactical first person shooter where players must work together in order to win more rounds than their opponents. MSU Valorant is a club for all people at the University and surrounding areas who want to discuss and enjoy their passion for the game. The club hosts multiple events every semester including bi-weekly in person meetings at a local LAN center (a place with many gaming PCs that are usable for playing Valorant) where new friendships are born over the enjoyment of our favorite game Valorant.

Our Mission

MSU Valorant's mission as an affiliated club at MSU is to provide a non-discriminating environment for MSU and the surrounding community to enjoy our favorite video game. MSU Valorant also has the goal of being a premiere collegiate esport destination for students looking to be the best esports players at the college level.
